PINkTIEMAGIC

~~Scynical~~ Cynical and Senseless Sorcery

Dave started performing magic and mentalism when he was five years old. Spending thousands of hours perfecting his art, he has received many accolades from the public and his peers. He takes his art very seriously especially when compared to his counterpart. Keeping her on task is a trick in itself.

Despite getting easily distracted by shiny objects, Veronica gets the job done... usually. She is oblivious to Dave's sarcastic nature which makes her the ~~best~~ most current assistant Dave has ever had.
